§25–601.

(a) A watershed association may acquire any right-of-way, easement, or other property right necessary to construct and maintain the watershed project for:

- (1) watershed protection;
- (2) flood prevention;
- (3) recreation;
- (4) soil conservation;
- (5) drainage; and

(6) the conservation, development, storage, use, and disposal of water for any beneficial purpose.

(b) (1) A watershed association shall submit to the clerk of the circuit court in the appropriate county a book, to be known as the “easement record”, that contains each easement for maintenance or right-of-way, according to the original design specifications or for not less than 20 feet, that the watershed association has in the county.

(2) A watershed association shall keep the easement record current.

(3) The clerk of a circuit court shall make an easement record available for inspection by the public.
